In re Application of	:	
Cole, et al.	:	
Application No. 10/667,831	:	DECISION ON PETITION
Filed: September 22, 2003	:	
Attorney Docket No. FO01-P03	:	

This is a decision on the paper titled "PETITION TO ACCEPT DRAWING AND ACCORD FILING DATE", filed April 15, 2004 (Certificate of Mailing dated April 12, 2004), which is being treated as a petition under 37 CFR 1.53 to accord the above identified application a filing date of September 22, 2003, with Figure 5 of the drawings as a part of the original disclosure.

The petition is **GRANTED**.

Application papers in the above-identified application were filed on September 22, 2003. However, on March 10, 2004, the Initial Patent Examination Division mailed applicant a "Notice of Omitted Item(s) in a Nonprovisional Application." Applicants were notified that the application papers had been accorded a filing date; however, Figure 5 of the drawings described in the specification appeared to have been omitted.

In response, applicants filed the instant petition on April 15, 2004. Accompanying the petition was Figure 5 of the drawings. Applicants maintain that the application as originally filed included Figure 5 of the drawings. In support thereof, applicants submitted a postcard receipt identifying this application, itemizing "Drawings: 20 sheets" as enclosed, bearing a United States Patent and Trademark Office date-stamp of September 22, 2003, and lacking any notation of non receipt of any item listed.

A postcard receipt which itemizes and properly identifies the items which are being filed serves as *prima facie* evidence of receipt in the Office of all items listed thereon on the date stamped thereon by the Office. See MPEP 503.

Given the basis for granting this petition, the petition fee of \$130 will be refunded to petitioner under separate cover.

The application is being forwarded to the Office of Initial Patent Examination (OIPE) for further processing with a filing date of September 22, 2003, using the application papers received in the Office on that date and Figure 5 of the drawings as resupplied on petition filed April 15, 2003.

Telephone inquiries related to this decision should be directed to Petitions Attorney Cliff Congo at 703-305-0272.
